

The Town of Los Gatos School Bus Will Stop at the JCC!

JCC staff will meet children at the bus stop and escort them to JCC programs.

The JCC offers:

- **Childcare before and after school in our supervised “Club J” program.** Currently, care is available for children in grades K-5, but in January we will also be offering care for 6th-8th graders on a trial basis. If enough 6th-8th graders sign up, we will offer care for that age group going forward.
- **Afternoon Recreation Programs** include soccer, swim lessons, tennis, basketball, circus arts, fine arts, chess, computers, dance classes, fencing, fitness, gaming, martial arts, ukulele, yoga and more.

Bus Stop Option #1: Before School, Monday through Friday

- K-8th graders can be dropped off at the JCC’s Club J at 7:00am.
- Club J staff will escort students from Club J to the school bus.

Bus Stop Option #2: After School on Mon, Tues, Thurs, Fri

- Club J staff will meet the bus when it arrives at the JCC, to escort children to recreation programs and/or Club J after-school care. Club J is open 3:30-6:00pm.

Bus Stop Option #3: After School on Wednesdays

- Club J staff will meet the bus when it arrives at the JCC, to escort children to recreation programs and/or Club J after-school care. *(Please note: Club J staff are not able to escort children to recreation programs that start between 3:00-3:40pm, because that’s a busy time in Club J. Most rec programs start after 3:40, so we can escort your child.)*
- On Wednesdays, for the month of January, the JCC will offer Club J after-school care from 1:00-6:00pm.
- With regard to childcare from 1:00-3:30pm: We’re trying this on a trial basis to see how many children take advantage of this offering. We need at least 5 children registered to attend Club J from 1:00-3:30pm on Wednesdays by the end of January, in order to continue to offer care during the 1:00-3:30pm time slot going forward.
